2016-2017	
Plan of Action	Action Taken
To introduce honours in Economics and Chemistry	Honours in Economics and Chemistry approved by the Nagaland University
To conduct seminar on Research Methodology	Research Methodology was conducted Successfully on the theme of "Prospect and challenges of social sciences research" and "Empirical research and Book writing"
To conduct Orientation for the teaching staff	Orientation programme was conducted on the theme of "Professional preparation of Teachers" "Role of teachers in higher Education "
Infrastructure development of the college to increase Classrooms, Benches and Desk	Six new class room, 50 benches and desks were added.
Upgradation of ICT facilities was proposed by the ICT Committee	Purchased one LCD Projector and a Laptop for the college welfare.
To fulfil the academic needs of the Students new books will be made available in the library.	Students are provided with free internet access to support in their academic studies through UGC INFLIBNET digital library consortium-N-LIST. New Books are added every year.
Submission of lesson plan of each Department to the IQAC office was proposed to complete the syllabus on time.	It was implemented successfully.
To collect students feedbacks on curriculum	It was collected regularly by the designated staffs.
To issue Bi-Monthly Newsletter	It was published under the title "Rekindle" and thus provide platform for the students to share their opinion, thoughts, ideas, views etc.
To observe national and international integrated programmes and events.	In all the National and International Red Days the College participated actively, observed and initiated seminars and other related programmes based on the nature of observation under various clubs and committees, even the College as a whole.
Sending important notifications to all stakeholders of the College through email and SMS. Important notifications are circulated and get it signed by every concerned individual and after which it is displayed at the notice board.	As usual it served as a better intimation of notifications to all teaching, non- teaching staff of the College and the students.
