2017-2018	
Plan of Action	Action Taken
Development programme	A one-day faculty development programme was organized on 27th April, 2018 for the teaching faculty of the college. "Participation in capacity development programme and seminars by the faculty"
To conduct seminar	One-day State Seminar on the themes "Higher education & Career Opportunities Abroad" was held on 17th November 2017 and subsequently in the next year on 8th June 2018 another State Seminar was held on the theme "Floristic Diversity of North-East India"
To introduce Geology Subject	It was approved by the Nagaland University and therefore from the academic session 2018-19 the Subject is being introduced.
To work in collaboration with the YouthNet Nagaland and the Dimapur Municipal Council	Signed an MOU with the YouthNet Nagaland and the Dimapur Municipal Council, Dimapur.
Upgradation of ICT and augmentation of infrastructure facilities were proposed.	All the computers in the Computer Lab were upgraded to higher versions from thin client to desktop. Apart from that 27 fans, 100 bench and desks were added, 4 white boards and 25 podiums were placed in the required class rooms.
To fulfil the academic needs of the Students new books will be made available in the library.	Students are provided with free internet access to support in their academic studies through UGC INFLIBNET digital library consortium-N-LIST. New Books are added.
To provide transport service for the students coming from various corners of Dimapur.	The College bus service was provided for easy and safe transportation for the students.
Fulfilment of social responsibilities.	7 students have donated blood to patients. Clothes, books and some other materials were distributed to the orphanage homes.
Capacity enhancement programme for the Students.	Seminar and special talk on the following themes were initiated for the students of Immanuel College "Women's Health awareness" "Phonetic description of English" "Career Guidance and Opportunity in the Private Sector and Employment" "Violent Against Women and Children & Sexual Harassment of Women at Workplace"

(Cont...2017-18)

To observe national and international integrated programmes and events.	In all the National and International Red Days the College participated actively, observed and initiated seminars and other related programmes based on the nature of observation under various clubs and committees, even the College as a whole.
Sending important notifications to all stakeholders of the College through email and SMS. Important notifications are circulated and get it signed by every concerned individual and after which it is displayed at the notice board.	As usual it served as a better intimation of notifications to all teaching, non- teaching staff of the College and the students.
Academic calendar was distributed at the beginning of the academic session to the teaching and nonteaching staff and students of the College for the intimation of yearly schedule.	Better participation from all concerned in the College activities
To conduct frequent meeting by the IQAC to generate ideas.	The IQAC conducted several meetings with various committees and meetings with all the teaching and non-teaching staff.
Submission of lesson plan of each Department to the IQAC office was proposed to complete the syllabus on time.	It was implemented successfully.
