2018-2019	
Plan of Action	Action Taken
To conduct National Seminar	A Two day National Seminar on "Issues and Challenges of Higher Education in North-East India" was conducted on 14 th and 15 th March, 2019
To organize Inter-College Science Fair for the Science Colleges under Nagaland University.	A one day Inter-College Science fair was conducted on 28 th February, 2019.
To organise inter-College basketball tournament.	The first basketball tournament was held on 11 th December, 2019 with which the College will continue to host the same every year.
Development Programme for the Faculty members of the College.	A One day Orientation Programme was conducted twice for the faculty members of the College on 6 th April, and 13 th May, 2019
To organise exposure trip and excursion frequently for the students.	Students were taken to different places for practical learning, hands-on training on basic science, visited historical sites etc.
To work on minor research	The Department of Botany had taken up research work on Ethnomedicinal plants and published its article in ISSN :2455-541X
To observe national and international integrated programmes and events.	In all the National and International Red Days the College participated actively, observed and initiated seminars and other related programmes based on the nature of observation under various clubs and committees, even the College as a whole.
To conduct frequent meeting by the IQAC to generate ideas.	The IQAC conducted several meetings with various committees and meetings with all the teaching and non-teaching staff.
Academic calendar was distributed at the beginning of the academic session to the teaching and nonteaching staff and students of the College for the intimation of yearly schedule.	Better participation from all concerned in the College activities.
To fulfil the academic needs of the Students new books will be made available in the library.	Students are provided with free internet access to support in their academic studies through UGC INFLIBNET digital library consortium-N-LIST. New Books are added.
In view of bringing youth oriented system to the College, the IQAC aimed to introduce more clubs where students are make to enrol in the club of their choice.	It made the students to participate actively in the areas of their interest and thus enabled them to engage vigorously in curriculum activities.
